RE: CUPE MANITOBA EXECUTIVE

Dear Sisters and Brothers,

CUPE Manitoba recently held its 50th Annual Convention, during which elections were held for numerous positions in accordance with the CUPE Manitoba Constitution.

Elected are:

- Sister Kelly Moist re-elected as **President**, 2 year term

You will be contacted by your Area Representatives prior to each CUPE Manitoba Executive Meeting. Please share concerns, comments, success stories, educational needs or any information you deem appropriate to share with your provincial Executive. The Area Representatives then bring this information to the rest of the Executive. This ensures communication between locals and the division, so please do take the time to provide an update as this information is valuable to us. Our CUPE Manitoba President, Sister Kelly Moist is always happy to attend your meetings or events, if invited.

An updated list of the CUPE Manitoba Executive as well as their email contact information is both available on our website (www.cupe.mb.ca) and enclosed.

I am sure you share in the sentiment of all CUPE Manitoba members when I wish our new and returning CUPE Manitoba Executive members congratulations and best wishes for a productive year.

Thank you for your continued commitment to CUPE Manitoba, it is your hard work that sustains our great union.

In solidarity,
